

Town Hall Stage Renovation Project

Focus: Curtains & Lighting

Southwick Cultural Council www.southwickma.org/cultural

The Southwick Cultural Council (SCC) supports community-based projects and the activities that promote access, education, diversity, and excellence in the arts, humanities and interpretive sciences to benefit the residents of Southwick.

A new project offered by the SCC is the renovation of the Town Hall Stage. In order for the existing stage to once again be a valuable resource, it requires the addition of a handicap lift, theatre drapes, a lighting and sound system. When completed, the stage will be available for theater groups, civic groups, and residents of the town.

In order to turn this project into a reality, the SCC needs your help. For \$5.00, you may purchase a square inch of the stage. With your contribution, you will receive a "deed" suitable for framing.

Upon completion of the project, a plaque will be placed in the Town Hall identifying the purchaser and the location of their acquisition.

To purchase inches please complete the form on the back of this letter and mail it with your check to:

Cultural Council
Southwick Town Hall
454 College Highway
Southwick, MA 01077

(The completed form and payment may also be dropped off at the Town Clerk's office in Town Hall)

For more information on the project, please contact Pat McMahon at 413 569 6531.

Thank you in advance for your kind support.

Susan Kochanski, Chair
