COMMON DRIVEWAY MORATORIUM DELETION

To see if the Town will vote to amend Chapter 185 of the Code of the Town of Southwick by deleting Section 185-23.3 in its entirety; and further that non-substantive changes to the numbering of this bylaw be made in order to make it consistent with the numbering format and sequencing of the Code of the Town of Southwick or take any other action relative thereto.

Requested by the Planning Board

ARTICLE 25 EXPLANATION: The request is made due to the fact that the temporary moratorium has expired based on the language adopted in Section 185-23.3 C (a) adopted at the Annual Town Meeting which occurred May 20, 2014.

ARTICLE 26:

MEDICAL MARIJUANA MORATORIUM

To see if the Town will vote to amend the Zoning bylaws of the Code of the Town of Southwick to add a new Section 185-23.4 entitled Temporary Moratorium on Registered Marijuana Dispensaries as follows; and further that non-substantive changes to the numbering of this bylaw be made in order to make it consistent with the numbering format and sequencing of the Code of the Town of Southwick:

§185-23.4 Temporary Moratorium on Registered Marijuana Dispensaries

A. **Purpose.** By vote at the State election on November 6, 2012, the voters of the Commonwealth approved a law regulating the cultivation, distribution, possession and use of marijuana for medical purposes. The law became effective on January 1, 2013. The Massachusetts Department of Public Health (DPH) subsequently issued regulations regarding implementation of the law. In April of 2015, the DPH announced significant changes to the Commonwealth's Medical Marijuana Dispensary program first authorized in 2012. The revised application process took effect on May 15, 2015 and applies only to new applications, not the additional Registered Marijuana Dispensaries (hereinafter "RMDs") that have been previously provisionally certified and are currently in the Inspection phase. The revised process licenses RMDs in a format similar to other healthcare facilities, such as pharmacies, which DPH also administers. This process will phase out the current use of state procurement policies to register a dispensary. According to DPH, the new process for registering dispensaries will be a fairer, more efficient, market-driven licensure process that will result in more timely approvals.

In August, 2015, the DPH updated their Guidance for Municipalities regarding the Medical Use of Marijuana. Moreover, on November 8, 2016, the voters of the Commonwealth approved a law regulating the cultivation, distribution, possession and use of marijuana for recreational purposes. This new law prohibits zoning bylaws from barring recreational marijuana establishments where RMDs have been sited. Further, the Cannabis Control Commission is required to issue regulations regarding implementation of this new law by March 15, 2018 and these regulations may provide guidance to the Town or otherwise have an effect on the siting of RMDs. Since the process has been significantly changed and will be impacted by required future regulations, the Town of Southwick is proposing a temporary moratorium to provide time for the Town to study and consider the regulation of RMDs in Southwick. The use of property as an RMD is novel in the Town of Southwick (and the Commonwealth of Massachusetts) and the number of opinions and variables surrounding medical marijuana, including possible legal, planning, and public safety issues, make it a complex subject matter to address. The Town needs time to study and consider the regulation of RMDs and address this novel use and complex subject matter, as well as to address the potential impact of the State regulations on local zoning and undertake a planning process, if necessary, to consider amending the Zoning Bylaws to address RMDs. The Town's adoption of a temporary moratorium on the use of land and structures in the Town for RMDs will allow the Town sufficient time to engage in a process to consider and address the potential effects of such structures and uses in the Town and to enact bylaws in a manner consistent with sound land use planning goals and objectives.

B. Definition:

"Registered Marijuana Dispensary" - A not-for-profit entity registered under 105 CMR 725.100 that acquires, cultivates, possesses, processes (including development of related products such as edible marijuana-infused products, tinctures, aerosols, oils, or ointments), transfers, transports, sells, distributes, dispenses, or administers marijuana, products containing marijuana, related supplies, or educational materials to registered qualifying patients or their personal caregivers to be conducted entirely within a secure facility with no drive-thru services. Unless otherwise specified, a Registered Marijuana Dispensary refers to the site(s) of dispensing, cultivation, and preparation of marijuana.

C. Temporary Moratorium:

For the reasons set forth above and notwithstanding any other provision of the Zoning Bylaws to the contrary, the Town hereby adopts a temporary moratorium on the use of land or structures for a RMD. The moratorium shall be in effect through June 30, 2018. During the moratorium period, the Town shall undertake a planning process to address the potential impacts of RMDs and related uses in the Town, consider the Department of Public Health regulations regarding RMDs and related uses, consider the impact of the Cannabis Control Commission's regulations regarding recreational marijuana on the siting of RMDs, and shall consider adopting a new Zoning Bylaw or Bylaws to address any impact and the operation of RMDs and related uses.

D. Severability. The provisions of this Bylaw are severable. If any provision, paragraph, sentence, or clause of this Bylaw or the application thereof to any person, establishment, or circumstances shall be held invalid, such invalidity shall not affect the other provisions or application of this Bylaw.

Or take any other action relative thereto.

Requested by the Planning Board

ARTICLE 26 EXPLANATION: The Purpose of this temporary moratorium is to allow the Town of Southwick the time to consider possible amendments of the Zoning Bylaws for the production, sale and use of Medical Marijuana.

ARTICLE 27: RECREATIONAL MARIJUANA MORATORIUM

To see if the Town will vote to amend the Zoning bylaws of the Code of the Town of Southwick to add a new Section 185-23.3 entitled Temporary Moratorium on the Sale and Distribution of Recreational Marijuana as follows; and further that non-substantive changes to the numbering of this bylaw be made in order to make it consistent with the numbering format and sequencing of the Code of the Town of Southwick:

§185-23.3 Temporary Moratorium on the Sale and Distribution of Recreational Marijuana

A. Purpose. By vote at the State election on November 8, 2016, the voters of the Commonwealth approved a law regulating the cultivation, distribution, possession and use of marijuana for recreational purposes. The law provides that it is effective on December 15, 2016 and the Cannabis Control Commission is required to issue regulations regarding implementation by September 15, 2017, which deadline has since been extended to March 15, 2018.

Any regulations promulgated by the Cannabis Control Commission are expected to provide guidance to the Town in regulating marijuana establishments. Further, the 2016 law established two important provisions that require ballot action by the Town prior to the adoption of Bylaws. The Town may, by ballot, determine whether it will limit the number of marijuana establishments in Town in the manner allowed by the law, and second, must determine, if properly petitioned, whether to allow on-site consumption of marijuana products where sold, which vote cannot occur prior to November 6, 2018, the next biennial state election.

The use of property as a marijuana establishment is novel in the Town of Southwick (and the Commonwealth of Massachusetts) and the number of opinions and variables surrounding recreational marijuana, including possible legal, planning, and public safety issues, make it a complex subject matter to address. The Town needs time to study and consider the regulation of marijuana establishments and address this novel use and complex subject matter, as well as to address the potential impact of the State regulations on local zoning and undertake a planning process, if necessary, to consider amending the Zoning Bylaws to address marijuana establishments and other related uses. The Town's adoption of a temporary moratorium on the use of land and structures in the Town for marijuana establishments will allow the Town sufficient time to engage in a process to consider and address the potential effects of such structures and uses in the Town and to enact bylaws in a manner consistent with sound land use planning goals and objectives.

B. Definitions:

"Marijuana accessories," as used herein, means equipment, products, devices or materials of any kind that are intended or designed for use in planting, propagating, cultivating, growing, harvesting, manufacturing, compounding, converting, producing, processing, preparing, testing, analyzing, packaging, repackaging, storing, containing, ingesting, inhaling or otherwise introducing marijuana into the human body.

"Marijuana cultivator," as used herein, means an entity licensed to cultivate, process and package marijuana, to deliver marijuana to marijuana establishments and to transfer marijuana to other marijuana establishments, but not to consumers.

"Marijuana establishment" as used herein, means a marijuana cultivator, marijuana testing facility, marijuana product manufacturer, marijuana retailer or any type of licensed marijuana- related business.

"Marijuana product manufacturer," as used herein, means an entity licensed to obtain, manufacture, process and package marijuana and marijuana products, to deliver marijuana and marijuana products to marijuana establishments and to transfer marijuana and marijuana products to other marijuana establishments, but not to consumers.

"Marijuana products," as used herein, means products that have been manufactured and contain marijuana or an extract from marijuana, including concentrated forms or marijuana and products composed of marijuana and other ingredients that are intended for use of consumption, including edible products, beverages, topical products, ointments, oils and tinctures.

"Marijuana testing facility," as used herein, means an entity licensed to test marijuana and marijuana products, including certification for potency and the presence of contaminants.

"Marijuana retailer" as used herein, means an entity licensed to purchase and deliver marijuana and marijuana products from marijuana establishments and to deliver, sell or otherwise transfer marijuana and marijuana products to marijuana establishments and to consumers.

C. Temporary Moratorium.

For the reasons set forth above and notwithstanding any other provision of the Zoning Bylaws to the contrary, the Town hereby adopts a temporary moratorium on the use of land or structures for marijuana establishments. The moratorium shall be in effect through June 30, 2018. During the moratorium period, the Town shall undertake a planning process to address the potential impacts of marijuana establishments in the Town, consider the Cannabis Control Commission's regulations regarding marijuana establishments and related uses, determine whether the Town will limit the number of marijuana establishments in Town, determine whether the Town, if properly petitioned, will prohibit on-site consumption at marijuana establishments, and shall consider adopting a new Zoning Bylaw or Bylaws to address any impact and the operation of marijuana establishments and related uses.

D. Severability. The provisions of this Bylaw are severable. If any provision, paragraph, sentence, or clause of this Bylaw or the application thereof to any person, establishment, or circumstances shall be held invalid, such invalidity shall not affect the other provisions or application of this Bylaw.

Or take any other action relative thereto.
