Diane Reported that 63 people responded to the Library Survey and she passed out the responses. Diane went over the surveys with the committee. She noted that there was mostly positive remarks about the library and the library workers.

It was mentioned that our patrons are mostly the young with children or Seniors and that we may want to consider gearing most of our programming to those age groups without neglecting the patrons in between. Suggestions for programs were: Medicare and Insurance, 401K and Ira's.

We as a committee noted that our Library needs to more promotion and more outreach. Bonnie offered to put an article in the Southwoods as often as possible. Diane will approve the article before it is submitted.

The next meeting will be held in September. Diane will notify us of the exact date.
