Board of Appeals

Meeting Minutes May 9, 2022

Attendees: Christopher Mastroianni, Chairman, William Lis and Wendy Cordeiro

Absent: Thomas Stapleton, Michael Parent and Paul Grégoire

7:00 PM Mr. Mastroianni opened the meeting and started the conversation regarding an informal inquiry for Red Oak Drive. The resident would like to erect a shed on the property. Mr. Mastroianni went out to the property and took measurements. After review of the measurements, and the close proximity to property lines, the homeowner was advised to relocate the shed to another area.

The members discussed the questions for the attorney for which he provided some feedback to provide the Board with clarity.

7:56 PM Mr. Mastroianni made a motion to close the meeting and Mr. Lis second, all were in favor.

Respectfully Submitted,

Christopher Mastroianni
Chairman
