MINUTES:

1. The meeting began at 6:30 PM. Members read the minutes from December 16, 2019, and Marlene found a correction that needed to be made. The correction was to add Chris Boyd into the attendance, as he was present. **Alisha made a motion to accept the minutes as amended and Marlene seconded. All were in favor, aside from Doug who abstained, as he was not present at the December 16 meeting.**
Survey
2. Doug let members know that the Select Board approved to allow a survey on the town website. This will be a great way for members to get a better understanding of what Southwick residents think of their current internet service. The committee continued to finalize the survey that will be sent in to the Select Board for approval, which included adding a title that would get residents interested in taking the survey. Alisha wrote the survey questions on her computer as all members agreed on the questions. The questions were finalized and they are almost ready to be put on the town's website.
3. **A motion was made by Jim to adjourn the meeting. The motion was seconded by Marlene. All were in favor and the meeting was adjourned.**
4. The next meeting is scheduled for Monday, January 27th, 2020 at 6:30 PM.
