

Town of Southwick Board of Health and Select Board COVID-19 Update for April 2, 2021

As of the most recent weekly public health report, there have been 528 positive cases of COVID-19 in the Town of Southwick. The Southwick Board of Health would like to stress that this is not a complete profile of the status of COVID-19 in the Town of Southwick. This number reflects those individuals who have received positive test results and *not* those awaiting results, untested symptomatic individuals, and those who might currently be asymptomatic. Additional information on case numbers can be found at mass.gov/info-details/covid-19-response-reporting.

COVID-19 VACCINE – The Town of Southwick is developing a program to offer in-home COVID-19 vaccinations for homebound individuals who cannot leave their home to get to a vaccination site, even with assistance. These individuals require either:

- An ambulance or significant assistance to leave the home,
- Are not able to leave the home for medical appointments under normal circumstances, or
- Have considerable difficulty and/or require significant support to leave the home for medical appointments.

To see if you or a family member qualify for the in-home vaccination program, please call the Southwick Health Department at 413/569-1212.

For individuals who do not qualify for the in-home vaccination program, we encourage you to call 2-1-1 or visit vaxfinder.mass.gov. If you are a senior resident and transportation is the only factor keeping you from visiting a COVID-19 vaccination site, please call the Southwick Council on Aging at 413/569-5498 for assistance.

All residents can preregister to book an appointment at a mass vaccination site at mass.gov/COVIDVaccine. Appointments will be offered based on eligibility and available appointments nearby. It is expected that more sites will come online as part of the preregistration process in April. Residents are encouraged to preregister at the site listed above, as well as to keep checking the State website, vaxfinder.mass.gov, as appointments are added on a rolling basis. Additionally, seniors, ages 65 and up, can call **2-1-1** for assistance with locating and signing up for the vaccine. The full timeline is available at mass.gov/COVIDVaccinePhases.

Timeline for remaining groups:

- April 5th: Residents 55+ and residents with one [certain medical condition](#)
- April 19th: General public ages 16 years of age and older

TRAVEL ADVISORY - All visitors entering Massachusetts, including returning residents, are advised to quarantine for 10 days upon their arrival. Travelers are exempt from this advisory if they have a negative COVID-19 test result that has been administered up to 72 hours prior to their arrival in Massachusetts. If not obtained before entry to Massachusetts, a test may be obtained after arrival, as long as travelers quarantine until a negative test result has been received. Anyone who is returning to Massachusetts after an absence of fewer than 24 hours is exempt from this advisory. Travelers who are fully vaccinated 14 days or more ago prior to visiting/returning and who do not have symptoms are exempt from this advisory. Travelers are encouraged to consult and follow the CDC's guidelines and requirements for travel: cdc.gov/coronavirus/2019-ncov/travelers/travel-during-covid19.

The Town Hall north side lobby is open to the public for Town Clerk, Treasurer, Collector, and Assessors services. All other offices are available by phone, on-line, and by appointment. Due to the nature of our operations during

the pandemic, please call these other offices before visiting Town Hall. All efforts have been made to ensure that customers and staff are kept safe. The Town of Southwick asks all visitors entering the building to abide by all posted signage.

Due to the continued rise in cases of COVID-19 in Massachusetts, residents are urged to continue to follow all public health precautions for reducing the spread of COVID-19: stay home unless absolutely necessary; if you must go out in public, practicing social distancing and proper hygiene etiquette; wear face coverings when inside retail stores and when social distancing cannot be maintained; and if you are experiencing signs of illness - fever, cough, shortness of breath – call your primary care provider for advice.

The Southwick Board of Health and Select Board continue to post case numbers and updated information regarding COVID-19 every week at southwickma.org. For additional up-to-date information please visit mass.gov/2019coronavirus and cdc.gov/coronavirus/2019-ncov. For non-emergency information and assistance, please call 2-1-1 or visit mass211.org.
