

Town of Southwick Board of Health and Select Board COVID-19 Update for December 18, 2020

As of Friday, December 18, 2020, there have been 256 positive cases of COVID-19 in the Town of Southwick. The Southwick Board of Health would like to stress that this is not a complete profile of the status of COVID-19 in the Town of Southwick. This number reflects those individuals who have received positive test results and *not* those awaiting results, untested symptomatic individuals, and those who might currently be asymptomatic. Additional information on case numbers can be found at <https://www.mass.gov/info-details/covid-19-response-reporting>.

As we enter the December holiday season, residents are urged to follow the public health guidance that we know will help keep people safe. This year we ask residents to:

- **Limit** in-person celebrations to household members only
- **Postpone or cancel** travel this holiday season. If you do choose to travel, be aware of and comply with Massachusetts travel order [requirements](#).
- **Follow** the current state [gathering size limits](#) and [sector-specific workplace safety standards](#).

For more information on staying safe throughout the holiday season, please visit www.mass.gov/news/december-holiday-guidance

All visitors and returning residents entering Massachusetts must follow the [new travel orders](#). All travelers arriving to Massachusetts – including Massachusetts residents returning home – are instructed to complete the [Massachusetts Travel Form](#) prior to arrival and to self-quarantine for 14 days, **except travelers from Hawaii**. All persons are instructed not to travel to Massachusetts if they are displaying symptoms of COVID-19. For more information, including the most current list of lower-risk states, exemptions, business guidance and other details, please visit <https://www.mass.gov/info-details/covid-19-travel-order>.

The Town Hall north side lobby is open to the public for Town Clerk, Treasurer, Collector, and Assessors services. All other offices are available by phone, on-line, and by appointment. Due to the nature of our operations during the pandemic, please call these other offices before visiting Town Hall. All efforts have been made to ensure that customers and staff are kept safe. The Town of Southwick asks all visitors entering the building to abide by all posted signage.

Due to the recent increase in cases of COVID-19 in Massachusetts, residents are urged to continue to follow all public health precautions for reducing the spread of COVID-19: stay home unless absolutely necessary; if you must go out in public, practicing social distancing and proper hygiene etiquette; wear face coverings when inside retail stores and when social distancing cannot be maintained; and if you are experiencing signs of illness - fever, cough, shortness of breath – call your primary care provider for advice.

The Southwick Board of Health and Select Board continue to post case numbers and updated information regarding COVID-19 every week at southwickma.org.
