

## **Town of Southwick Board of Health and Select Board COVID-19 Update for July 2, 2020**

As of Thursday, July 2, 2020, there have been 59 positive cases of COVID-19 in the Town of Southwick. The Southwick Board of Health would like to stress that this is not a complete profile of the status of COVID-19 in the Town of Southwick. This number reflects those individuals who have received positive test results and *not* those awaiting results, untested symptomatic individuals, and those who might currently be asymptomatic. Additional information on case numbers can be found at <https://www.mass.gov/info-details/covid-19-cases-quarantine-and-monitoring>.

On Thursday, July 2, Governor Charlie Baker announced that Phase III of the Commonwealth's four-phase reopening process will begin on Monday, July 6. Some of the businesses that will be allowed to reopen in this phase include fitness centers, museums, and casinos. For more information on which businesses are allowed to open, as well as sector-specific safety guidance, please visit <https://www.mass.gov/info-details/reopening-massachusetts>.

The Town Hall north side lobby is now open to the public for Town Clerk, Treasurer, Collector, and Assessors services. All other offices are available by phone, on-line, and by appointment. All efforts have been made to ensure that customers and staff are kept safe. The Town of Southwick asks all visitors entering the building to abide by all posted signage.

Since June 1, the Southwick Public Library has been offering curbside pickup. To order, please call the Library at 413-569-1221 or fill out a Google form on their website ([www.southwickma.org/southwick-public-library](http://www.southwickma.org/southwick-public-library)) or Facebook page ([www.facebook.com/Southwick-Public-Library-353414831610/](https://www.facebook.com/Southwick-Public-Library-353414831610/)). To keep posted on the phased reopening of the library, please check with the website routinely.

Residents are urged to continue to follow all public health precautions for reducing the spread of COVID-19: stay home unless absolutely necessary; if you must go out in public, practicing social distancing and proper hygiene etiquette; wear face coverings when inside retail stores and when social distancing cannot be maintained; and if you are experiencing signs of illness - fever, cough, shortness of breath – call your primary care provider for advice.
