Review Minutes and Bills

Bills were reviewed and approved. Minutes were reviewed and approved.

Whalley Park

Review over seeding quotes. Mike Massarelli motioned to accept quote from Total Home Services Inc to over seed the dead areas at the park; John Whalley seconded and the motion was approved. Down Under Irrigation will flag the sprinkler heads before they over seed. Recycling is going well at the park with the blue recycling bins since we posted signs on them stating recycling bottles and cans only. Cara will have the maintenance employees keep up the lines on the soccer fields for the soccer teams.

Rail Trail

Brooks with the Friends of the Rail Trail has finished refurbishing the nine bollards on the trail. Four of them can be unlocked and removed to facilitate trail access. Five cannot be removed. Brooks does not suggest purchasing matching locks at this time.

The Rugged Maniac is this weekend. John, Mike M. and Mike S. volunteered to park cars to raise funds for Whalley Park expenses.
