Whalley Park

We need to put up the barriers at the entrance of the park. Jeanne will contact DPW, Chris Faria to put barriers out. They need to be put up before the next big storm.

Rail Trail

Bob Madison approached Peter Heap. He wrote a book and all proceeds go to historical society in Southwick. He wants to put a cast iron sign at the historical spot on the rail trail where the canal and trail crossed. The sign would be located north of the CT border. He is asking P&R to grant him permission to accept the historical sign. The Friend of the Rail Trail will put up the sign. John Whalley motioned to approve the historical sign located at the spot where the canal and rail trail crossed; David DeiDolori seconded and the motion was approved.
