Review Minutes and Bills

Bills were reviewed and approved. Minutes were reviewed and approved.

Whalley Park

Discuss future budget items with Joe Deedy. The High School has an industrial mower and mows the property in minimal time. May be something P&R might want to consider for the future. Discussion about staffing options at Whalley Park. The Pavilion needs lights. Each year the Rotary holds more and more concerts at the park. There are many other events held at the park that would also greatly benefit from the lights. David will look for a heavy duty field lining machine. This will be kept in the maintenance building only for P&R staff's use. The spray can field liner will be left in the shed for teams to use.

Rail Trail

Bartlett Tree will go ahead and perform root removal on the trail when the weather is favorable.
