Whalley Park

Andi DeSanto met with the rep from Healthy Kids Running to map out the area for the kids races. They would like to use the upper soccer field. We will check with the soccer to see if they will be using both of the upper soccer fields. She said there is not enough room on the lower field for the one mile race for the older kids. Andi said they have over 100 runners registered. Andi would like to know if the run can be extended one week to June 2, 2019 if needed in the event of rain. The board said yes. The High School will hold two baseball and two softball games under the lights. Joel and Eric will start back up for the season on April 1, 2019. April 1, 2019 DPW will turn the water on at the park. GPS would like to know when they can start using the fields. Mike Sheil will check if the grounds are dry enough.

Rail Trail

FOSRT will fix the damaged wood fence located half mile south of the tunnel. Joel and Eric will help clean up the rail trail the week of April 1, 2019. Interview the rail trail maintenance applicants.
