Whalley Park

We received payment from Global Premiere Soccer for field use. Maintenance is inquiring when to close the restrooms for the season. They can close the far back restroom at anytime. The other two can be closed the first or second week of November. Maintenance will hire someone to winterize the bathrooms. Trish Labieniec is inquiring about using the park for a running event on May 28, 2018 to raise money for Team Justice. The board said a running event would be welcome at the park. They would like more information on this event. Wayne Parker is prepping the 90' infield for next season. He will do the softball field next. Mike M. will ask Chet at the park to line the soccer field with the paint lining machine.
