A truck load of 75 yards of playground mulch will be delivered next week. The guys will most likely need to use a bobcat to move the mulch. Stacy Smith purchased insurance for her softball teams. She sent a copy to the P&R office. Frank Montagna sent payment for the high school baseball & softball field use and lights.

#### **Rail Trail**

The rail trail mower is down again. Dean is going to replace the micro switch. If that doesn't work he will check the ignition. The Friends of the Southwick Rail Trail would like to pay for preventative maintenance on the rail trail mower every fall in attempt to avoid mower breakdown at the start of the season. The mower was down for the second year in a row for two weeks at the beginning of the season. During that time P&R and the FOSRT received many complaints about the length of the grass and concern for ticks. Westfield River Brewery would like to post flyers on rail trail kiosk for the August 4, 2018 High Hopes Music and Arts concert. The board approved flyer. The FOSRT will post them at the kiosks.
