

**Southwick Public Library
Fine Free Policy**

On October 13, 2020, the Trustees of the Southwick Public Library voted to go fine free. Late fines will not be charged on any items except museum passes, hotspots, and Library of Things items. Past fines already accrued on patron cards will be waived.

Borrowers who damage or lose an item will still be charged for the price of the item. Patrons who borrow items through Interlibrary Loan, other libraries, and the Commonwealth Catalog may still be charged fines if the lending library charges.
