

**Light Up Southwick 250**  
**2020 Edition**  
**Welcome to our Winter Wonderland!**

Thanks to 33 Southwick families who have decorated their front yards for the holidays and volunteered to be part of this event. Before you embark on this special trek across our diverse neighborhoods, please keep in mind:

1. Please obey all of our public health precautions including staying in your vehicle throughout your trip and wearing a mask.
2. To complete the entire trip might take about 2 hours, depending how much time you wish to view each display.
3. Some of these locations are on highly traveled public roads – pull off the road as far as possible and turn on your hazard lights. Some are on very narrow roads with cars parked on the street – please be especially cautious.
4. Some of these streets are **No Exit** and you will need to make U-turns. Please do so with extra caution.
5. The following route is a suggestion, especially for those of you who do not regularly use GPS. It is divided into three legs for your convenience.
6. We have done our best to provide clear, accurate instructions. If you find an error or have a helpful tip, please email [JimP@Southwick250.org](mailto:JimP@Southwick250.org)
7. **Don't forget to email your vote for favorite display to [christinemgreco@icloud.com](mailto:christinemgreco@icloud.com) or [JimP@Southwick250.org](mailto:JimP@Southwick250.org)**

**Enjoy!**

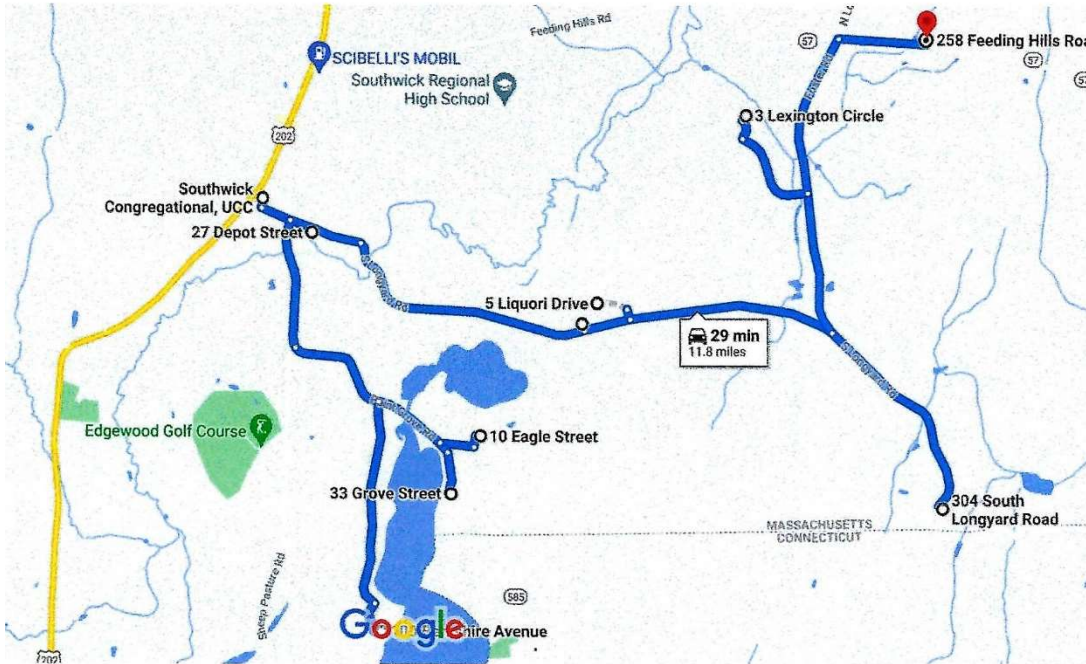

**Happy Holidays and Happy New Year**
