APPLICATION FOR NEW WATER SERVICE CONNECTION

Property Owner: _____

Property Address: _____

Billing Address: ☐ Same as Above or _____

Service Use(s): ☐ Domestic ☐ Fire ☐ Domestic & Fire ☐ Irrigation

Property Use: ☐ Single Family Residential ☐ Commercial ☐ Industrial

☐ Multi Family Residential (# of units)_____ ☐ Mixed Use

If commercial, industrial, or mixed, list the type of use(s)_____

The Connection Fee shall be based on an EDU formula where a single family dwelling will be assessed 1 EDU which equates to \$1,200. Multi family, commercial, industrial and mixed use properties will be assessed a connection fee based on the recommended design flow values found in 310 CMR 15.203 using a single family home (330 gallons/day) as a basis for 1 EDU or other method as deemed appropriate by the Water Commissioners. Regardless of property use, the minimum Connection Fee is 1 EDU (\$1,200). Separately, a connection for a new fire service is \$1,500.

The property owner is responsible to install the water service from the main to the property line, including restoration of the road, sidewalk, tree belt, etc. The Contractor performing this work shall secure a Trench/Street Opening Permit and any other applicable permits prior to construction.

The following must be attached to this Application:

1. A plan showing details of the proposed service, including pipe material, pipe size, and the horizontal layout in relation to other features (buildings, roads, utilities, property lines, etc.).
2. A check made payable to Town of Southwick for the full amount listed in the Fee Schedule.

I have read the *Southwick Public Drinking Water Distribution System Specifications* and agree to abide by its provisions.
